

## Accpick Group Ordering Facility

Accpick's Group Ordering facility which enables the ordering of stock for all branches within a group from a selected Supplier.

To create a consolidated order:

- View Preorder Report: Displays QOH and YTD Qty Sold in Top Seller order for the Group and each individual branch
- Input quantities required at each branch; system automatically totals quantities to order

[-] Item - 225/70 15 CON VANCO 112R
